Guidelines for Obtaining the Similarity Index Report of the Final Ph.D. Thesis at the Central Library, CURAJ

The Central University of Rajasthan has entrusted the Central Library with the responsibility of generating and certifying the Similarity Index report for theses submitted by Ph.D. Research Scholars. It is mandatory for Ph.D. students to obtain the Similarity Index report from the Central Library for the final version of their thesis. The Library uses **TURNITIN and URKUND** to generate Similarity Index reports.

All Research Scholars are informed to follow the process below to obtain a Similarity Index Report for their Ph.D. thesis from the Central Library, CURAJ:

Procedure to obtain the Similarity Index Report:

1. Ensure that thesis is submitted to the library through your guide/supervisor.
2. **The Plagiarism check e-mail request should include the following details:**
 - a) Thesis Title
 - b) Name of the Research Scholar
 - c) Enrollment Number
 - d) Name of the Guide
3. Send the full-text thesis, separated by preliminary pages (title page, certificates), and a bibliography via email to plagiarism@curaj.ac.in, preferably in DOC or PDF format.
4. Additionally, provide a self-plagiarism undertaking to exclude a self-plagiarism report (as per the attached format).
5. Please note that the library provides Similarity Index Reports for the final version of Ph.D. theses only.

Important Note:

The Library requires a minimum of 48 hours on working days (Monday to Friday) to certify the similarity index. In case of delays due to internet interruptions or any other technical issues, the certified similarity report will be available on the next working day.

Wish you all the best.

Central Library, CURAJ
